for whatever happens!

## Brightside Extended Warranty\* for whatever happens.

A lot can happen to your appliances, electrical and mobile products.

Our Extended Warranty provides you with up to 4 years extra protection after your manufacturer's warranty expires.

You'll enjoy the extra benefits of unlimited repairs, surge protection and wear and tear. Plus, our Extended Warranty is valid anywhere in the world.

Brightside Extended Warranty is designed to protect you for whatever happens, so you can always look on the bright side.

## Brightside Extended Warranty includes<sup>†</sup>:

### Replacement

If your purchase costs under \$500 and suddenly stops functioning, there's no fuss. We simply replace it.

### Surge protection

We have a safeguard in place for when your product suffers greatly from electrical interference.

### 21 day repair guarantee

It's a promise we always keep. We'll have your product back in your hands within 21 days, or we'll replace it.

### Wear and tear

All products can be affected by wear and tear. But don't worry, you're covered.

### No lemon guarantee

If you're unlucky enough to have two separate repairs and a third occurs, relax. We'll simply replace it.

### Freight & service calls

We'll cover all freight costs and service calls during the claims process. So you're not left out of pocket.

### Food spoilage

Here's a fresh idea. If your fridge or freezer loses its cool, we'll pay for the replacement of your food.

### Laundry care

Don't sweat. If your washing machine or dryer is out of action for more than 10 days, we'll cover your cleaning costs.

### Worldwide coverage

It doesn't matter where you travel in the world, we've got you covered.
